CHILD SPONSORSHIPS

Top: Alween

Below: Alandecia

It has been a much slower start than I believed it to be for the child sponsorships. We have documented 158 children available for sponsorship and thus far have had 20 children sponsored for which we are most grateful!

We do know that \$35.00 a month, \$105.00 per quarter or \$420.00 per year does challenge many of your budgets but we ask you to look closely and see if you can add us to your budget. I believe in what is being done down there passionately. It literally is life saving/ changing for these children and those who work on the site. Will you please give this opportunity to partner with us and what is being done in Haiti serious prayer and thought. We are

giving you the ability to be the hands and feet of Jesus without leaving the comforts of your home.

Alween is in the 4th Grade. Her favorite school subject is Math and her favorite playtime activity is playing with puzzles.

Alandecia is in 1st grade. Her favorite playtime activity is jumping rope and her favorite school subject is Reading.

Yvenson and Guyvenson are 4 years old and in the little Angels program. Their favorite playtime activity is playing with trucks. Yvenson and Guyvenson are not orphans but stay at the orphanage due to their Mothers home being destroyed in the earthquake. They have an older brother Franciscot who stays at

the orphanage also. Their Mother Jacqueline works at the orphanage and has really become a dear friend to us.

MISSION TRIP

We are just over seven weeks before we return to Haiti and are very excited to be returning to visit with friends and do some work on the site. The team is coming together nicely. We have had some folks who want to go but have been challenged financially through unexpected expenses such as cars

breaking down, air conditioners going out, jobs going and coming. Please pray that those who are to join us on this trip, that God would provide for their needs. We are still in hopes of getting some much needed funds for the roof for the third wing of the orphanage/school. One of my friends advised me

to put a dollar amount to that need \$30000.00. We ask that you pray for the team and those we get to minister with and the money for the team as well as the roof.

MADDI MOO'S CLOSET

Maddi Moo's closet has been received well in the schools and by the school administrators. Maddi Moo's was even granted access to the high school after being initially denied. The need is great as perceived by Maddi and we have had a lot of clothes donated for this project. We were able to take some funds donated by a ministry partner who ask us to do something good with the funds and buy

new socks and underwear for each school. Rhonda and I went shopping for the socks and underwear Tax free weekend and really learned how out of touch we are with kids styles in just the simple things like underwear and socks. Boxers, briefs, boxer briefs, low cut socks, high cut socks, stripes, solids, white, color, bikini cut, boy cut and so on. We had a cart full of different sizes, colors and

cuts. I kept waiting for the lady at the check out to ask how many children we had as she was giving us the quizzical eye, but she refrained.

If you have or need to clean out your closets and drawers. We would love to have any of your gently used clothing except socks and underwear as we believe these items need to be new. Please call or email us if you have any childrens clothing to donate.

CHILDREN IN ACTION

I continue to be awed by the children at Carolina Bays Community Church as they give of their time and efforts to help Project James of their own accord. They keep surprising their parents and myself with their initiative to help the children of Haiti.

A.J., Lily and Claire got up one Saturday morning and decided to have a carwash in the neighborhood and began

to put a plan together with signs and knocking on the neighbors doors and explaining they were having a carwash to benefit children in Haiti at an orphanage.

Their efforts raised \$55.00 which they presented to Pastor Shane (picture below on right) at church one Sunday when Rhonda and I were out of town.

A. J. and Lily's father was a

bit concerned that his children were knocking on the neighbors doors on their own as I would be in this day and time.

Please pray for Vince, Jennifer, A.J. and Lily as Vince was just sent to Iraq to manage a security team.

Many thanks to A.J., Lily and Claire as their efforts touched our hearts and helped Haiti!

Isaiah 58:10

And if you give yourself to the hungry

And satisfy the desire

of the afflicted,

Then your light will

rise in darkness And

your gloom will become

like midday.
