

## 30 DAY CHALLENGE

You have heard of Jared's (Subway Fame) 30 Day Challenge well this is my own version of the 30 Day Challenge to all of us. Take the next 30 days and fast one breakfast, or one lunch, or one dinner, once a week. No cheating if you don't typically eat breakfast you can't fast that meal. Each time you feel hungry after the fasted meal pray for those who are starving to death around the world and see who and where God lays on your heart. You are skipping one meal, one day a week wait until you feel how hungry you are after fasting one meal. Now imagine a child now literally not getting food day after day until they starve to death. Not a picture you want to think about but literally it's hap-

pening at an alarming rate all over the world (the conservative number is about 26000 everyday or 9.5 million each year).

Now that money you saved by fasting four to five meals over a month ear mark it for wherever God has laid on your heart and give it away. If you don't know of a reputable organization in whatever locale has been laid on your heart. Let us know, we know missionaries working in Africa, India, Europe and the United States who all need a cash infusion. The organization we partner with Christian Light Foundation has missionaries in thirteen different countries as well.

I believe God will speak to you if you give this 30 Day Challenge

## MISSION TRIP

We will be leaving for Haiti on November 9 and returning November 16. We ask you to pray for us, the team and those we get to serve and work with.

Our team is the largest we have taken thus far 10 members. We are excited that we have Scott returning with us and seven

new team members. We have a fairly young team going this trip our youngest team member is 14 and our oldest team member is 47. Two teenagers, four 20 something's, one 30 something and 3 forty something's. We are split down the middle 5 females and 5 males. Please pray for the supplies we are

collecting Peanut butter, Children's Tylenol, Children's cough and cold Medicine, adult cough and cold medicine, Children's liquid vitamins and powdered infant formula. We are praying for a thousand pound of supplies to take with us.

## MADDI MOO'S CLOSET

Maddi Moo's closet is being very well received in our community. Last week Maddi Moo's received permission to enter the Loris area schools and Myrtle Beach Elementary School. We are looking for gently used clothing of all school age sizes. Please let us know if you any clothing your children have outgrown and we can make arrangements to get them from you.

With the expansion of the

new schools we are in need of new socks and underwear of all school sizes again. If you would like to donate these items or a monetary donation mark on the memo line for Maddi Moo's Closet/socks & Underwear.

Please pray with us as we seek to add a food distribution program in the schools as well. There are several back pack programs in the elementary schools but the

older children do not have this option. There is one program in the area named combat hunger that distributes food to several high schools that we donated some back packs to last year.

Our desire is to fill the void not replace what others are doing. There is a lot of good stuff being done in our community.
