

### CHILD SPONSORSHIPS

Progress continues to be made in the child sponsorships. We now have 40 children sponsored monthly, THANK YOU ALL! We ask you to continue to pray for Project James and all these wonderful children we are so blessed to be involved with. We still have over 200 children who would love and need a monthly sponsor. We have two children left at the orphanage who we would love to see sponsored before we return to Haiti on March 10, 2012. These young men are on the left of the page their names are Franciscot and Kervens. These young men are some

of older boys on the site who also are among the brightest young men who have promising futures before them.

Franciscot is not an orphan his mothers home collapsed in the quake and she works for Miss Sherrie and is now living on the site with her two other young twin boys Yvenson and Guyvenson.

Kervens is a 15 year old 9th grader whose favorite class is Bible study. Kervens is an orphan.

Alex is in the 8th grade and his favorite subject is Math and favorite playtime activity is playing soccer.

### HAITI MISSION TRIP

Our next mission trip is on March 10 - 17, 2012. We will have 18 people on this trip. Our largest team we have taken to Haiti.

We ask you to pray for us and those joining us on this trip. Rhonda and I need to

raise \$2400.00 by March 10 for this trip thus far we have been blessed with \$1064.00. We also are collecting peanut butter and infant formula to take with us to use in the feeding programs for malnourished children.

## YARD SALE & BAM DAYS

If you would like to donate items for the yard sale please contact us and we will arrange a time to pick up these items from you (Grand Strand area residents only).

For our out of town friends if you would like to have a yard sale yourself and donate part of the proceeds to Project James

to help our ministry it qualifies as a tax deduction and helps us tremendously and you can get rid of that stuff you are not using and taking up way too much space around the house (Thanks to Joel Wilson for that idea).

Our next Books A Million dates are February 24th and March 3rd. How this

works is between 11:00 Am and 5:00 PM we are on property with a display and a percentage of sales that don't have member discounts are donated to Project James. We will have volunteers at all three Grand Strand locations on these dates.

Please support one of our partners Books A Million.

## THE NEW FUNDRAISING PROJECTS

We have been blessed by several new fundraising project ideas that team members have helped us put together. First we have been approved by Books A Million as a nonprofit organization to come in one day a month and set up a display and receive part of the days sales. (thank you Candice Brassington!)

Our next project is that a storage unit has been donated to us for storing items for yard sales. We will also be using this to store the continued gathering of the much needed supplies of Peanut Butter and Infant formula we need for Haiti. This unit will also help us with Maddi Moo's Closet stor-

age as well.

We thank Ernie & Carol-Graham, Carla Billings, Candice Brassington and Guardian self storage (hwy 90) for this blessing!

If you need a storage unit I recommend Guardian on Hwy 90 on the north end Cameron who helped me with the unit was great.

## Proverbs 19:17

One who is gracious to a poor man lends to the Lord, and He will repay him for his good deed.
