## CHILD SPONSORSHIPS

BHAG (Big Hairy Audacious Goal) update we had three more sponsors join our child sponsorship program since our last update. We also had one have to withdraw for financial reasons. We now have 52 children sponsored at Christian Light School. We ask you to pray for more sponsorships for the School and orphanage.

Daphanee will be entering 5th grade this fall and likes to play with dolls and English is her favorite school subject.

Marie Duca will be entering 4th grade this fall and likes to jump rope and her favor-

ite school subject is phonics.

Macdonal will be entering 4th grade and likes to play soccer and his favorite school subject is phonics.

Jaslin will also be entering 4th grade and his favorite school subject is sign language and his favorite play time activity is playing with cars.

We ask that you give thought and prayer to sponsoring one of these children or any of the other 100 plus children on our website that would love to have you as a sponsor. It is \$35.00 a month to provide meals,

## HAITI MISSION TRIP

Our next team mission trip will be on November 1-8, 2012. It is not too early to get your deposit in and start preparing for this trip (vaccinations, passports).

A \$500 dollar nonrefundable deposit will reserve your ticket and space. We need to get the deposit for tickets by August

20, 2012. The trip cost right now is \$1200.00 per person. I hope to be able to keep that price but ticket prices have jumped again this month. This price includes everything room, board and ticket, the experience is priceless!

## YOUNG LADIES IN ACTION

It is a true pleasure to know these two young ladies. Tayler Billings has been on two mission trips with us. She just turned 18 years old and graduated high school. She loves children and is great with them.

Carlyn Clark is 17 years old and loves children as well. She went on her first

trip with us this past March but has been on three other mission trips to Guatemala.

These two young ladies decided to spend the month of July investing in many of the Haitian children they met on their previous trip. They both returned this month to teach English and love on

the children they have come to love so much.

It is a true honor to know and work with these two young ladies who God is using mightily in His kingdom to show His love for His people.

I don't know about you guys but I can't wait to hear about their trip and share it with you all.

## NEW HOME FOR THE CHILDREN

It is exciting to see the children who live at the School/Orphanage get a new temporary home. Since 2008 they have lived at the school. The plan was to build them their own home but in 2010 the earthquake changed those plans. Sherrie signed a one year lease for a new location

next door to the school for the children to actually have a place called home that is not in the school. The future plans are to find or build something that will be better for them but this is a good next step for the children to be able to go home after the school day is over.

## Proverbs 21:13

He who shuts his ear to the cry of the poor will also cry himself and not be answered.
