We are kicking off 2013 with the new photos that Lynn Daly Photography took when she joined us on our November mission trip. Lynn was gracious enough to not only go on this trip with Project James but donate her professional skills of photography to give us some much needed professional photos of these children.

Jeb Torry Tembinia is in the 5th grade and her favorite school subject is Phonics.

Guecheline is in the 5th Grade and likes Math and jumping rope for fun.

Louis Calixte Dauphin Junior

St. Eran we just call him Louis. He is in 5th Grade and Math is his favorite school subject along with playing soccer for fun.

Cliforde is in the 5th Grade. His favorite school subject is Math and he enjoys playing baseball.

The tax deductible donation of \$35.00 a month helps us pay the teachers salaries, food, medicine and a home for the children at the orphanage. We ask that you pray about what role God would have you do for these children.

MISSION HAITI

Rhonda and I have been working on our trips for this year and our spring trip just does not appear to be in the cards at this point for one reason or another.

Our next scheduled trip for sure will be November 7 - 14, 2013. The cost for this trip will be \$1275.00 with a deposit of \$500.00 nonfundable for the

best price of this trip due by April 1, 2013. You may add on to this trip at any point providing space is available but after April 1 price will depend on airline ticket prices and other cost variables. If you have any questions please call or email.

ECUADOR UPDATE

Our original plan was for Tony to have been there Christmas day to celebrate with the children at Bene-merita Sociedad de Pro- tectora del la Infancia but the Flu decided to rear its head and sideline Tony. As we discussed and ago- nized over how best to proceed the decision was arrived at of just wait and not expose these children

to the Flu. Tony was able to complete the trip as of January 29. He was able to purchase some much needed musical equip- ment, art supplies and basic necessities of shoes, tooth paste and soap that the home needed for the children. Tony and I will be debriefing over the next week or so about the trip and what is next. He was

delayed in Houston on the way home and missed several connections but got the these photos and info to us in time for the newsletter.

Tony, Champion Karate Center, Project James, Rhonda and I thank all the folks that made this trip possible.
