## CHILD SPONSORSHIPS

Dear Sponsors and Donors,

Thank you so much for all that you are doing in partnering with Project James. We are currently sponsoring 46 children through Project James' ministry, and want to thank you for all that you do to make this possible. There are still orphans and students who do not have sponsors, however, and this month we would like to introduce you to four children who are still in need of support to complete their educations at Christian Light School.

Sadrack is in 3rd grade this year, and enjoys his studies in math more than all of the other classes.

Neillie is currently in 5th grade, and studying math is her favorite part of school. In her free

time, she enjoys playing with dolls.

Washlet is in 7th grade this year. Math is his favorite academic subject, and in his free time, he enjoys playing soccer.

Roseleonne is in 6th grade now! She enjoys math more than any of her other subjects, and likes to jump rope when she has free time.

Please consider sponsoring one of these children who do not yet receive financial support toward their education. Your monthly sponsorship of \$35.00 is tax deductible, and makes it possible to pay teachers' salaries as well as provide food and medicine for the children.

Please pray for each of them as they study to improve their futures and the future of Haiti.

## MISSION HAITI

We are excited to share the information for our upcoming trip to Haiti! This year's team consists of Jeff and Rhonda Cole, Carlyn Clark, Obea Alverson and Morgan Presley. We will be in Haiti from November 7th–14th, helping in any way we can

during our stay in the orphanage. Please pray for wisdom for each of us; that as we build relationships with the children, we will exemplify the love of our Father, who gave Himself to gather His orphaned children to His heart. We appre-

ciate your support, and look forward to sharing our experiences from the trip when we return!

## CHRISTMAS PARTNERSHIP

As we are approaching the holiday season, we would like to invite you to join our annual partnership with Tony Geouge, and give to the children of Benemerita Sociedad de Protectora del la Infanciato. We will be gathering financial gifts to send to Tony, as he is currently in South

America working with the children. Our goal is to raise \$30 for each of the 30 children who live in this orphanage. These gifts will be used to purchase necessities, as well as toys and other gifts for the children at Christmas. Please consider joining us in sending gifts to

the children, and pray that during the Christmas season, they will not feel orphaned or forgotten, but will "understand, as all God's people should, how wide, how long, how high, and how deep His love is", and that we will fulfill our role in sharing that love.

## INTRODUCTION TO THE INTERNSHIP

Hello Project James Supporters! My name is Morgan Presley. I am just beginning an internship with Project James, and am writing to introduce myself to you.

I learned about this organization and the ministry in Haiti a few months ago, and was

introduced to the Coles through mutual friends. My personal goal is also to minister to orphaned children, through establishing and facilitating a home for orphaned and abandoned children and youth.

What better way to show the heart of our

Father than by taking in His children who are otherwise forgotten or overlooked?!

Thank you so much for continuing this ministry through your support! I look forward to working with each of you as we advocate and serve the children of Haiti.

Rhonda and I are so thankful to have Morgan interning with Project James this is an answer to prayer.
