## CHILD SPONSORSHIPS

### SPECIAL POINTS OF INTEREST

- Child Sponsorships
- Mission Trips
- Maddi Moos Closet
- Ministry partners

Yes these are the same children from last edition my prayers are that these four and two others who live at the orphanage will have a sponsor before we return to Haiti in November. Will you help us make a difference in these children's lives?

Wilna is *incredibly* sweet. She is always ready to meet a new friend with a smile, a good joke or a game that she is willing to share. She told me that she enjoys learning health and science, because "they show you how to protect yourself".

Exaline is now in the 9th grade. She possesses a gentle and quite spirit, but loves

to have fun with others. She is always taking care of the younger children and helping out whoever is in need. She loves to sing and play guitar as well as dance and jump-rope.

Herode is a very a loving little boy. He is completely happy in the arms of one of our team members or anyone else who will just love him.

Murielle says that math is "not too bad", but she prefers studying health in school, because it teaches her "how to act". When she grows up, she wants to either be an ice skater, or a woman in business.

## MISSION TRIPS

We are in the planning stages of two trips right now. Our first trip will be November 2-November 9, 2014 back to Haiti. Our cost on this trip will be \$1295.00 per person. If you would like to join this team let know ASAP and get your \$600.00

deposit in to guarantee this price and a spot on the team.

Our second trip will be in early 2015 to Ecuador working on finalizing details. Based on preliminary findings our trip cost will be \$2395.00 per person. This

will be a 10 day trip with 2-3 days of side excursions to visit the beautiful flora and fauna of Ecuador. Deposit required for this trip is \$1000.00. Tony Geouge has been working hard to make this a great trip for all who decide to join us.

## MADDI MOOS CLOSET

At Christian Light School the children wear uniforms which takes some of the peer pressure off children. In Horry County Schools there is freedom of choice if you can afford new clothes.

My young friend on left Maddi Turner 14 years old started Maddi Moos Closet in Horry County Schools at 10 years old

after noticing some of her classmates wearing the same clothes each day. Her desire was to help them fit in socially and to feel better about themselves.

Four years and 10 schools later Maddi Moos is going strong. Our part in helping Maddi Moos is to buy new socks and underwear for each school thanks to our

wonderful ministry partners.

Maddi Moos does need a few volunteers to help several of the schools coordinate the clothes that are donated by so many families in the area. **If you would like to volunteer a couple of hours per week to help Maddi Moos Closet please let me know.**
