#### SPECIAL POINTS OF INTEREST

- Child Sponsorships
- Mission Trips
- Yard sale
- Lent update
- Ministry partners

This month we have a unique opportunity for you to sponsor one of the children who live in the orphanage for only \$35.00 a month. We have had a few folks who were sponsoring these children just not able to continue their support.

Wilna is *incredibly* sweet. She is always ready to meet a new friend with a smile, a good joke or a game that she is willing to share. She told me that she enjoys learning health and science, because “they show you how to protect yourself”.

Exaline is now in the 9th grade. She possesses a gentle and quite spirit, but loves

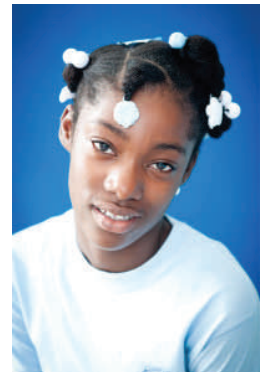

to have fun with others. She is always taking care of the younger children and helping out whoever is in need. She loves to sing and play guitar as well as dance and jump-rope.

Herode is a very a loving little boy. He is completely happy in the arms of one of our team members or anyone else who will just love him.

Murielle says that math is “not too bad”, but she prefers studying health in school, because it teaches her “how to act”. When she grows up, she wants to either be an ice skater, or a woman in business.

### MISSION TRIPS

We are in the planning stages of two trips right now. Our first trip will be November 2-November 9, 2014 back to Haiti. Our cost on this trip will be \$1295.00 per person. If you would like to join this team let know ASAP and get your \$600.00

deposit in to guarantee this price and a spot on the team.

Our second trip will be in early 2015 to Ecuador working on finalizing details. Based on preliminary findings our trip cost will be \$2395.00 per person. This

will be a 10 day trip with 2-3 days of side excursions to visit the beautiful flora and fauna of Ecuador. Deposit required for this trip is \$1000.00. Tony Geouge has been working hard to make this a great trip for all who decide to join us.

## YARD SALE LONG OVERDUE

We finally had the yard sale that so many of you donated items for over the last couple of years. It was a success we were able to raise over a \$1000.00 . Big Thank you to Brian Bailey who helped me load a 24 foot U-Haul full of all the donated items from our warehouse to the sale location. We thank all of you who donated

many items for the sale. God really blessed us with amazing weather and a crowd that was much larger than I anticipated. I looked up the street one time and there were cars as far as I could see and a yard full of people gobbling up your donations.

I had a fun day working with a varied bunch of people some of them

bought things, some offered hugs and/or prayers also had one lady who gave more than I ask for an item after overhearing why we were having the yard sale.

## LENT UPDATE

I know Easter and Lent are long gone but did want to share a little of how it went for me. As I stated I would be giving up sweets/desserts for lent if you know me well not an easy task. I love some ice cream or chocolate a lot. I did make it through the fast without breaking it. Thank you to those who prayed with and for me

During this time.

I did not have any great epiphanies but what I was able to do was reestablish my morning quiet time that had just seem to slip away with the busyness of life. I was able to spend time in two different devotionals Seek God for the City. Which was really great because it had planned out

prayer walks with specific groups of people to pray for each day.

And a friend of mine sent me a link to A Holy Experience written by Ann Voskamp. Thank you Jamie Clark really enjoying reading this blog.

As a nice side note I did lose twenty pounds by cutting out the junk as well.
