### CHRISTMAS FOR ORPHANS

Tony handing out the gifts last Christmas.

As we're nearing the Christmas season, please consider joining us in providing a memorable Christmas celebration for the children of Benemerita Sociedad de Protectora del la Infancia.

We will be sending our financial contributions to Tony Geouge, who will purchase and deliver the gifts, as he spends Christmas with the children. In addition to purchasing necessities and toys, the director of Benemerita has expressed a desire to add some more musical equipment to the music room.

Our goal this year will be \$2100.00 or \$30.00 per child to provide the basics of a toy, new shoes and undergarments again this year. No amount is to small to help us reach this goal please include on memo line Christmas for Orphans on your check or PayPal donation.

Please join us as we provide the gift of a celebration for the children during Christmas, reminding them they are valued, celebrated and not forgotten.

## HAPPY THANKSGIVING

Rhonda and I wanted to wish everyone a Happy Thanksgiving and safe traveling.

Thanksgiving is my favorite holiday it's not a party or celebration or about the presents but just getting together with family and friends and reflecting on what we are thankful for and of course usually eating way too much. One of our family traditions as we get ready to eat is everyone says what they are

thankful for.

The first participants of Thanksgiving the pilgrims were thankful they survived that first winter. Of the 102 pilgrims that arrived in November 1620 only 53 survived for that first Thanksgiving in early October 1621.

It was through the kindness of Squanto and other Native Americans that would teach the pilgrims how and what to grow in the new world to sur-

vive the next winter.

What kindness can we show others to ensure their physical and spiritual survival?

## MINISTRY PARTNERS

Rhonda and I would like to thank you all for allowing us and our ministry to come into your home each month with our newsletter. The reason you receive this letter is that in some way you may or may not be aware of. You all have impacted our lives in some way shape or form and we consider our selves blessed because of you and how you live life. You all are scattered across this great country of

ours and even in our northern neighbor Canada. As I was looking over the list there are twenty two states, four countries and two different Hawaiian Islands represented by you all.

We are most thankful during this holiday season for God intersecting you with us and our family. Thank you all for your friendship, love and prayers. We love you all and are most thankful for you.
